Message from Mrs. Worthington

I will be hosting a meeting for parents and community members on March 3, 2010 at 6:30 p.m. in the NBGS cafeteria to discuss the reconfiguration of the New Braintree Grade School. I hope you will all join me this evening.

The New Braintree Grade School welcomes Ms. Courtney Hosley, a QRHS Leap student, who is working in our kindergarten classroom helping Mrs. Stockwell. Courtney is a senior at Quabbin and lives in Hardwick. We hope she enjoys her time here working with the youngest members of our school community.

Ms. Cheryl Scotland has been hired to help Ms. Melanson with the Title I After School Program on Monday, Tuesday and Thursday afternoons. Fourteen students are staying after for help in either Math or ELA.

We had a few families attend the New Braintree School Night at the Worcester Sharks on Sunday, January 31st at the DCU center.

Mrs. Howard's Second Graders enjoyed their field trip to the Natural History Museum at Amherst College. They saw lots of very interesting bones and fossils of dinosaurs that once lived in Massachusetts. They also enjoyed their lunch at McDonalds.

Mrs. Howard's students also earned a Good Behavior Reward Ice Cream Sundae Party. Along with the ice cream the students ate hot fudge, butterscotch bananas, sprinkles, whipped topping, strawberries, cherries as fixings! It was very YUMMY!

Calendar of Events

February 12: Classroom Valentine's Parties.

Information will be sent home by classroom teachers.

February 15 - 19: No School - Winter Vacation

February 22: School Re-Opens

March 2: School Banking

March 3: Meeting to discuss NBGS reconfiguration at 6:30 p.m. at the NBGS cafeteria.

March 12: Early Release Day 11:30 Dismissal

March 14: Daylight Savings Time Begins

March 20: First Day of Spring

March 16: School Banking

March 19: 2nd Trimester Marking Term Ends

March 23: Grade 4 MCAS ELA Comp. Test

March 30: School Banking

Have a safe and happy Winter Vacation!

Ms. McCrone's 5th and 6th grade students have done some wonderful projects on Animals of the Desert, Arctic, Grasslands, Tundra, Taiga and Animals that are Extinct. Please take a few minutes to look at them in the front lobby of the school.

Dear Parents,

The Yearbook Committee would like to sell advertisements in our yearbook. The prices are \$50.00 for a whole page, \$30.00 for half a page, \$20.00 for a quarter page, and \$5.00 for 50 characters. These are not just for advertisements, they can be used for good luck and farewell wishes for your children. Please contact Mrs. Ford if you would like to purchase an advertisement. Thanks for your support.

Sincerely,

The Yearbook Committee

Also, the Yearbook Club would like to ask you to take colored pictures of your children in school and during extra-curricular activities. We encourage you to contact your child's teacher to take pictures of the class. These programs may include basketball teams, the Walking Club, dance, Santa's Workshop, concerts, music lessons, etc. We do ask the pictures be brought in by March 15, 2010. The Yearbook Club will appreciate any and all photos that are sent in.

Sincerely,

The Yearbook Club

Congratulations to Jenna Lindhorst for being the February 2, 2010 Country Bank drawing winner!
